Dear Contributor:

We are pleased to have the privilege of publishing your Contribution in the forthcoming Work identified above. This letter will state the terms of publication.

Grant of Rights: Subject to your reserved rights, you hereby grant to the Massachusetts Institute of Technology (MIT), acting through The MIT Press, all your right, title, and interest including copyright in and to the Contribution, throughout the world.

Open Access Publication of your Article: Your article will be published under a Creative Commons CC BY license on the MIT Press website: <https://direct.mit.edu/isal>
Publication under this license allows you, the author, to reuse your contribution as specified by the terms of a CC BY license: <https://creativecommons.org/licenses/by/4.0/>

Multiple Authors: If there is more than one author of the Contribution, the word "you" includes all authors jointly and severally. Subject to the ultimate discretion of the Editor, your names will appear on the Contribution in the order in which you list them on your manuscript.

Compensation: You acknowledge that you will not receive any fee or royalty for the Contribution.

Warranties: You warrant that the Contribution has not been published before in any form, that you are its sole author(s), and generally that you have the right to make the grant you make to us. Any exceptions must be noted below. You also warrant that the Contribution does not libel anyone, invade anyone's privacy, infringe anyone's copyright, or otherwise violate any statutory or common law right of anyone. You agree to indemnify us against any claim or action alleging facts which, if true, constitute a breach of any of the foregoing warranties.

Reversion: You acknowledge that inclusion of the Contribution in the Work is subject to acceptance of your manuscript by the Editor, and acceptance of the Work by the MIT Press Editorial Board. If the Contribution is ultimately not accepted for inclusion in the Work, this Agreement will be null and void and all rights in the Contribution will revert to you. Also, if publication of the Work is cancelled, or if the Work ceases to be published under circumstances that cause the Editor's copyright to revert to the Editor, all rights in the Contribution will revert to you.

General: This is the entire agreement between you and us relating to the Contribution, and it may be modified only in writing. It will bind and benefit our respective successors in interest, including assignees, and our licensees, provided that you may not assign this Agreement without our prior written consent. It will be governed by the domestic laws of the Commonwealth of Massachusetts.

To signify your assent, please sign and return to The MIT Press.

Sincerely,
Amy Brand, PhD Director
